# Cloud Dough Recipe

This is a great activity for you to try at home to cook together and then play together.

Cloud Dough has a smooth texture, it can be powdery or firm when pressed or moulded.

It is perfect for moulding, shaping, squeezing, pressing and sculpting into different shapes.

Cloud dough provides a great hands-on sensory learning experience for children.

2. 1 cup of baby oil
3. Mix together in a bowl and enjoy!

We are using single use cloud dough to follow our Covid Safety Plan. Children are required to sanitise their hands before and after use.
