

Emergency and Disaster Management Plan

This plan helps you understand what will happen and what to do if there is an emergency or disaster.

What is an Emergency and Disaster Management Plan?

This is your Emergency and Disaster Management Plan.

We will call it the Plan.

The Plan helps you and Early Links prepare for an emergency, like floods or fire.

Everyone should be prepared for an emergency.

Having a plan can help you feel less worried or scared.

What is an emergency?

An emergency can be

- serious or dangerous
- scary

You might need help during or after an emergency.

An emergency might be

- a bushfire

- a flood

- a disease outbreak (like COVID-19)

- a power outage

In an emergency you might not be able to get help from the usual people.

This plan will prepare you and Early Links for emergency events.

Writing this plan will help to keep you safe and looked after, even if something goes wrong.

The plan includes:

- Who to call in an emergency
- My supports
- Continuity of Supports

Contact Early Links today if you wish to discuss your plan or need to update your emergency contact details at contact@earlylinks.org.au.
